

09 Feb 2023 - Mini workshop - Building a startup with a demo of supporting lab facilities- Talk and visit- Poona College of Pharmacy

Rating Scale: 1 Bad | 2 Well below average | 3 Below average | 4 Average | 5 Good | 6 Very Good | 7 Excellent

Category	Avg (Min, Max) Count
Section 1 - Event	
Overall Satisfaction with Event	6.7(6,7) 29
Satisfaction with Content	6.7(5,7) 29
Satisfaction with Speakers/mentors	6.8(6,7) 29
Satisfaction with structure,design and pace of event	6.8(6,7) 29
Satisfaction with demonstration	6.0(3,7) 29
Please Provide any other suggestions, comments or any other topics you wish to suggest for a future talk/ workshop?	
3D printing workshop	
3D printing workshop and flourophore	
About building the confidence for the initiative	
Additive Manufacturing, how to begin with paper writing, article review, and research for second/third year students	
Biofuels	
Entrepreneurship and funding procedures for various stages in product development	
Flurophore	
How deep tech will enhance the production sector especially in Pharmacy	
How to build Startup in Pharma industry	
I would suggest topics related to talks on biopharmaceutics and the novel drug delivery systems.	
In depth knowledge on instruments used in the campus, working and hands on workshop.	
Interested in machine learning programs and many other deep tech workshops	
More detailed sessions on startup funding options , novel drug delivery systems, biopharmaceutics , patent writing , actual laboratory experience and majority of the bio- pharma topics	
More legal detaiks regarding Startups is required	
Need Ideation workshop	
Tissue culture	
Training workshop for cell line study	
Training workshop in biopharma research equipments for UG students	

We want to know more about the future opportunities we can have after learning the skills being taught here just a minute roadmap sort of elaboration ..how should a ug student begin with startuphow to apply for funding in detail more elaboration on biopharmaceutics ...

Workshop on fund raising

Would like to attend a workshop on developing research activities
