| Financial stability, employee retention and hiring the right people for early stage startup | |
| How to design your business startegy? | |
| How to make a product or service market fit | |
| More of these types of programs must be conducted. | |
| Similar topics to learn about the mistakes in the entrepreneurship rather than success stories. | |
| financial management by start ups | |
| Dedicated workshop on in vitro diagnostics | |
| Would love to attend a more detailed conversation on this topic. Some topics of interest: 1. Lessons from failed enterprises focusing on Agri-Tech/agriculture/technology startups. 2. Team building and focus on team retention for early-stage startups. 3. Methods to find and on-board mentors/advisors for early-stage startups. | |
| New venture Creation bootcamp | |
| How does one find a co-founder if one has developed the business idea alone? | |
| More interactive | |
| Good job, would like to see more such events | |
| 1) The placement of the camera for online meet could have been better. 2) Longer events to understand the points in detail | |
| enriching. look forward for such quality . short , clear and focused | |
| The webinar felt a little short maybe because the speaker was so good. It felt as though each sub-topic in the webinar could be a webinar on its own. Really appreciate him doing this while struggling through a bad cold. | |
| Thank you!Please Bring a shark from shark tank India..to share their perspective on investments they made & the experience with founders.. | |
